

Ace Sports Coaching - Behaviour Policy

The aim of the policy is to promote learning and enjoyment of sport in a safe, inclusive and organised environment. We are responsible for teaching sport but not for solving serious behavioural problems.

- Children must learn to behave responsibly with consideration for others and respect for their surroundings.
- Our emphasis is on praise and positive reinforcement.
- Coach will set clear boundaries and consequences.
- We encourage increasing independence and self-discipline so that each child learns to take responsibility for his/her own behaviour.
- We have a consistent, fair approach
- We provide positive role models
