

## **COVID-19 NOTICE**

Ace Sports Coaching is committed to providing a safe environment for parents, children and coaches. There is nothing more important than the well-being of our customers and our coaches.

We continue to follow government guidelines and have adapted our sessions and to provide a safe environment for all of our employees, their parents, siblings, and other carers.

As the COVID-19 situation evolves it is our intention to remain informative and supportive to our customers, our employees and ensure we can run classes in a safe manner.

In the interests of everyone's safety, please do not attend, or register your child for a class, if your child or someone you have recently been in contact with is experiencing COVID-19 related symptoms or if you have not followed the advice of the Government relating to such matters.

We ask that you read all of the documents we have provided and follow the guidelines laid out. We are relying on you to uphold the conditions agreed to ensure the safety of everyone who attends the class. It is your responsibility to ensure your child follows government guidelines at all times.

Please note that due to the nature of the COVID-19 pandemic, all public places carry an element of risk of contracting the virus. Despite our efforts to create a safe environment during our classes, we cannot guarantee that all persons who participate in our Programs or attend at our Premises are free of COVID-19.

By registering your child(ren) for our sessions, allowing your children to participate in our class or otherwise attending at our venue, you accept that you are solely responsible for all risks associated with such participation and attendance, on your own behalf, on behalf of your child(ren) and any on behalf of any other persons with whom you and/or your child(ren) come into contact.

We encourage you to review the most recent guidance and recommendations from the Government before choosing to register your children for any classes and encourage you to seek further information.
