

## Monitoring staff behaviour policy

At Ace Sports Coaching we take safety and welfare of children and staff seriously.

This policy insures staff behave in an appropriate manner to act as a role model and protect all children in their care for.

In this policy we also ensure that any changes to staff behaviours always have working out closely monitored discussed and supported to ensure that all children are safeguarded throughout their time

### Expected staff behaviour

Within our setting we expect our team to :

1. Put our children first, their safety ,welfare and on going development is the most important part of their role.
2. Behave as a positive role model for the children in their care by remaining professional at all times and demonstrating positive attitude to all
3. Work as part of the wider team
4. Be aware of their requirements and the policies and procedures designed to keep the children safe from harm all they attend our sessions
5. Not to share any confidential information relating to children or families using the setting
6. Maintain the public image of a sports coaching and do nothing that will put the setting into disrepute
7. Report to management immediately any changes in personal life that may impact on the ability to continue the role. These may include but not limited to changes in police record medication people living in the same premises any social care involvement with their own children.
